

Speakers

Dr. Ari Kupietzky received his D.M.D. at the Hebrew University-Hadassah School of Dental Medicine. He continued his studies at the medical school and earned a master of science degree in pharmacology and completed his pediatric dentistry training at the University of Medicine and Dentistry–New Jersey Dental School in Newark. During his postgraduate studies, he conducted fluoride research at Colgate Palmolive Research Laboratories and was awarded an Alpha Omega Foundation Postdoctoral Research Fellowship twice during his studies abroad. Dr. Kupietzky has published over 50 scientific articles.

Currently, Dr. Kupietzky is performing research on the dental treatment of the very young child and practices pediatric dentistry in his private office. He is a former member of the Advisory Council of the American Board of Pediatric Dentistry, Sedation and Hospital Section, a fellow of the American Academy of Pediatric Dentistry, and a diplomate of the American Board of Pediatric Dentistry. He also served as a member of the editorial board of Pediatric Dentistry and teaches part time at the Department of Pediatric Dentistry of the Hebrew University- Hadassah School of Dental Medicine. Dr. Kupietzky is Visiting Professor at UMDNJ-New Jersey Dental School.

Dr. Kupietzky is a popular speaker and has lectured throughout Europe and also in the United States. He resides in Israel with his wife, seven children and three grandchildren.

Ninth Annual PedoGators Continuing Education in Gainesville, Florida

From Infancy to School Age:
*Clinical tips to achieve excellence in
every day practice*

President's Message

Dear Colleagues,

It's a great pleasure to announce the ninth annual Continuing Dental Education series sponsored by the Department of Pediatric Dentistry and PedoGators, Inc. The UFCD pediatric dental residency training program takes enormous pride in its past accomplishments while building toward the future challenge of educating dentists to serve the children of our State and nation. Please come and celebrate with your colleagues.

Sincerely,
 Ronald Rozanski
 President, PedoGators, Inc

Friday, February 17, 2012

8 - 8:30 am Registration & Continental Breakfast
 at the UF Hilton & Conference Center

8:30 - 11:30 Continuing Education Course
 with Break-out Service

11:30 – 12:45 Lunch
 Albert's Restaurant at Hilton Hotel
 and PedoGator, Inc. Business Meeting

1:00 - 4:00 Continuing Education Course with
 Break-out Service

Course Description

A fast paced and exciting clinical presentation complemented by outstanding photographs and long term follow-ups of patients.

Among the topics to be discussed:

The one year visit

Frenectomies

Esthetics for toddlers

Breaking the sucking habit

A simplified technique for proximal composite restorations

Ectopic eruption of six year molars

Interceptive orthodontics that can realistically be incorporated into the pediatric dental practice

The uniqueness of the pediatric dentist is not limited to the ability to perform restorative procedures on young children but rather to actively monitor the dental growth and development of pediatric patients. This fast paced clinical presentation will allow participants to follow patients throughout their childhood and see how early intervention can have profound, long lasting results on their future dental health.

Lecture is worth 6 hours of CEU's
