2019 Pediatric Emergency Management and ACLS Training

Course Summary:

This hands-on educational experience is appropriate for any dentist interested in reinforcing the knowledge and performance skills requisite to providing best rescue practices for the pediatric dental patient. This course fulfills some of the continuing education requirements mandated by the Florida Board of Dentistry for the renewal of pediatric sedation permits. This course includes 4 CEUs in emergency management as well as BLS / ACLS recertification training. BLS / ACLS renewal cards will be mailed to all participants who successfully pass the written examination and testing stations. This course will also provide instruction and practice in the performance and communication skills necessary among the dental team while interacting with a child simulator responding to various adverse events requiring emergency intervention.

Learning Objectives:

Following completion of this course, the participant will be able to:

1. Define medical risk assessment and learn its relevance to the pediatric dental patient.
2. Identify how to identify red flags in the health history and determine whether it is safe to perform the planned dental procedure.
3. Participate in hands-on simulations of a variety of medical emergencies for which a dental office should be prepared including syncope, angina attack, MI, cardiac arrhythmia, stroke, hypertensive episode, airway obstruction, seizure, local anesthetic overdose, hypoglycemia, asthma attack, hyperventilation, and allergic reaction/anaphylaxis.
4. Assign roles and direct your team in rescuing your pediatric patient using an Office Action Plan, Checklist and Protocols.
5. Review the drugs and equipment you must have in your dental office to manage a pediatric medical emergency.

Faculty:

Dennis Stone, MD, Pediatric Anesthesiologist, Jacksonville, FL
Hector Vila, MD, Pediatric Anesthesiologist, Tampa, FL
George Alvarez, MD, Pediatric Anesthesiologist, Tampa, FL
Michael Garcia, MD, Pediatric Anesthesiologist, Tampa, FL
Linda Jo Rice, MD, Pediatric Anesthesiologist, Tampa, FL
Lorie Primosch, RDH, MED, EMT, University of Florida, AHA BLS instructor
Robert Primosch, DDS, Pediatric Dentistry, University of Florida
Frank (Bob) Traficante, DDS, Pediatric Dentistry, AHA PALS/ACLS instructor

CE credit:

Florida Academy of Pediatric Dentistry is an ADA CERP recognized provider approved by the American Academy of Pediatric Dentistry. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Florida Academy of Pediatric Dentistry designates this activity for 8 hours of continuing education credits. The FAPD will submit 4 CEU for Emergency Management and 4 CEU verification of ACLS recertification to *CE Broker* for all Florida dental license holders.

**Fee:** \$975.

Our refund policy lasts up to 30 days prior to the scheduled event. If your refund request is not received by the February 10, 2019 deadline, we cannot offer you a refund or exchange. Once a payment is marked as completed via PayPal, it can no longer be canceled. However, you can request a refund of a completed payment prior to the refund deadline date. To request a refund, send the request to *Florida Academy of Pediatric Dentistry* at rprimosch@dental.ufl.edu. Once your refund request is posted, we will notify you of the approval or rejection of your refund within 10 days. More information regarding the course cancellation and refund policy can be found at www.fapd4kids.org in the “Meetings” registration section.
